

THE ALFRED PRIVATE CONSULTING SUITES – CLINICS

The Private Consulting Suites offers a number of bulk billed and privately billed consulting services.

Patients are required to have a **CURRENT REFERRAL** for all consulting services when visiting the Private Consulting Suites.

The Private Consulting Suites is a separate area to the Public Outpatient Department and therefore we do not make any appointments or take inquiries for the Public Outpatient Department.

Please advise if an **INTERPRETER** is required **PRIOR** to attending appointment.
