## NURSING DIVISION

### MISSION

Consistent with the vision of Alfred Health and The Alfred, the Nursing Division strives to provide excellent care to patients and their families and to advance nursing practice. We achieve this by creating a culture and environment in which our values are evident in every interaction with patients, carers and colleagues.

### VALUES

#### **Patient centred care**

*Patients' needs are the priority in decision making*

#### **Teamwork**

*Working effectively together*

#### **Respect**

*Acknowledgment of and consideration for the views of others*

#### **Pursuit of excellence**

*Achieving best practice through critical inquiry and innovation*

#### **Leadership**

*Positively influencing others and outcomes*

#### **Accountability**

*For the delivery of care to achieve person centred outcomes and for the organisational resources used to achieve this*

*June 2009*
