# The Application Process

- Key Tips

- Don't rush your application
  - Read and re-read prior to submitting. Answers the questions asked
  - Incomplete applications can be saved and returned to later for completion
  - Once submitted you cannot amend
- Ensure that your references are available via the PMCV website
- Prepare for interview
  - What makes you stand out from your peers?
  - How can you add value to our patient's journey?
  - How would an Alfred Health internship add value to your career?
