

## **Filming a patient arriving at The Alfred**

Media are asked to use their discretion when filming patient arrivals and remain respectful of patient privacy, and staff, at all times.

### **Patients arriving by air**

- Access to the helipad is not permitted to film patients arriving by helicopter.
- The position most commonly used to capture arrival by air is from the grassy area alongside The Alfred's circular driveway on Commercial Road.

### **Patients arriving by road**

- Filming of patients arriving at The Alfred by road ambulance is commonly done from the footpath near the ambulance driveway.
- If you believe there is reason to have closer access, please contact Alfred Health Public Affairs to discuss your needs.
