

Sandringham Hospital

193 Bluff Road, Sandringham

Changes to your services

As part of ongoing renovations at Sandringham Hospital, the location of some services will temporarily change from **Monday, July 20**. The works are due for completion by the end of September.

Moving from Building B to G3 are:

- Physiotherapy
- Hospital in the Home (HITH)
- Hospital Admission Risk Program (HARP)
- Nutrition and Dietetics
- Staff clinic
- Echocardiography
- Women's Health Physio

In addition, the Victorian Infant Hearing Screening Program (VIHSP) will be moving to Building C on an ongoing basis.
