

THE ALFRED RESEARCH TRUSTS

SMALL PROJECT GRANTS

2017 ROUND 1 - OPEN

ELIGIBILITY

Alfred staff members wishing to conduct research in Nursing, Allied Health, Medical Information, Medicine or Science, and who have not received research funding in excess of \$10,000 in total during the previous five years, are eligible to apply. **The research must take place on The Alfred campus under the direction of an experienced researcher who is on the staff of The Alfred.**

PURPOSE

- To encourage individuals and departments that have not previously been involved in major research activities;
- To assist graduates in the health sciences to initiate research studies or complete research projects which form part of higher qualification requirements – these grants are not intended to fund the research programs of full time PhD students;
- To fund a study that is complete in itself and not merely part of a major study.

AMOUNT

Up to **\$10,000**.

TENURE

Up to two years from 1 January 2017.

APPLICATIONS

The application form and guidelines are available from the Alfred Health website:
(<https://www.alfredhealth.org.au/research/funding/small-project-grants>).

An electronic copy (**PDF**) plus the **original** and **five doubled-sided hard copies** of the application should be submitted to Rebecca Erlich (r.erlich@alfred.org.au), Research Administrator, Alfred & Baker IDI Research Office, 3rd Floor, East Block by **4pm, Monday 24 October 2016**.

Late applications will not be accepted.
